## Upside-Down-Mills

With our upside-down mills, you simply fill the lower section, while the high-quality CrushGrind ceramic grinding mechanism is located in the upper section. The highlight: nothing spills out when you put it down – your work surface stays clean. An attractive, small lid reliably protects the grinding mechanism from dust.  
The grinder can be adjusted continuously and is ideal for all kinds of dried herbs and, of course, for pepper and salt. Total height: approx. 20 cm
